### PEACE SUNDAY – 17 Jan. 2021

In his message for the 54th World Day of Peace, Pope Francis pays tribute to those in the caring professions who have done so much during the Covid-19 pandemic. He adds: "Sad to say, alongside all these testimonies of love and solidarity, we have also seen a surge in various forms of nationalism, racism and xenophobia, and wars and conflicts that bring only death and destruction in their wake... That is why I have chosen as the title of this year's Message, A Culture of Care as a Path to Peace. A culture of care as a way to combat the culture of indifference, waste and confrontation so prevalent in our time."

Pax Christi, the international Catholic movement for peace has a variety of on-line resources at <https://paxchristi.org.uk>. You can make a donation to their work online or send a cheque payable to Pax Christi, St Joseph's, Watford Way, London NW4 4T.
