Some current events:

EASTER CRAFTS CORNER – until 23rd April

THE TRUE CROSS

The fragments of the True Cross in the convent's collection are amongst the largest authenticated pieces in England, of which only a small number survive. The relic is on display along with previously unseen authorisation documents issued by bishops in France and England in the 1860s. The recent research has enabled us to trace elements of the history of the relic which have remained a mystery since the 19th century.

THE BAEDEKER RAIDS - 80 YEARS ON

April 29th marks the 80th anniversary of the Baedeker raids of the Second World War, when York was blitzed by the Luftwaffe. Many buildings across the city were destroyed and many lives were lost.

The Bar Convent suffered a direct hit and five sisters were killed. Display of archive documents.
